Bring on summer ... and rosé. Our favorite easy-drinking wine is the perfect way to celebrate sunshine and good times. We're sharing our go-to summer sips: enjoy it all with friends!

Our summer essentials? Sun, fun, and plenty of rosé. And this bottle comes with a unique set of labels – see bottle shots below.

Deliciously fresh and thirst-quenching, extremely pale in color with a salmon blush. Pristine aromas of fresh citrus and white pear with a persistent floral lift of jasmine; Beautifully textured and very layered, showing rich, ripe flavors of fleshy nectarine and delicate yummy yeasty dough notes. Concentrated, clean, crisp and fully flavored with a beautifully dry finish.

Traditional winemaking process in stainless vessels with careful temperature control to protect the natural fruit flavors, typical of both varieties. Direct pressing and stalk removal at 5°C.

Enjoy a glass sat out in the sun, with light salads, pasta and rice dishes, especially with seafood, raw and lightly cooked shellfish and grilled fish and goats' cheeses. Perfect hot weather drinking.

T° of service: ±10°C / ±50°F.
